> A new idea is so rare a thing that it deserves special mention whenever and wherever it is found. This particular idea, however, is not quite new, except in the made in which it has been carried et, but still in the absence of anything better, it will do. It consists of gaslight exhibitions in

the day time by prominent milliners and Since bonnets became small, the profits upon them reduced, and the large num-ber made by ladies themselves, it has been common to associate dress making been common to associate dress making been common to associate dress-making with millinery in all the large establis ments, especially as with the introduction of gored dresses, came the almost S. B. WILLIAMSON, : : : President. absolute necessity of employing an BEN MaY, : : : : : Secretary. artiste, at least, to cut and fit them, and, as a consequence, the profits upon dress-making increased, as those upon millinery went down. The association of these s. s. williamson, M. L. MEACHAM, two departments proves a most fortunate HENRY LAIRD, conjunction in these difficult imes, and D. H.

renders gaslight exhibitions very effectivity particle of light from the large and ele gant showrooms, arrange complete costumes at one end, and dress bonnets, bridal vails, wreaths, head-dresses and Fire and Marine Insurance. opera, evening, street, or indoor tollettes Home Insurance Company of eright of Congress to restore loyal governments to the South, while the latter would contend for the unconditional restoration of the rebals to power.

Congress will settle the financial question satisfactorily before its adjournment and leave no weapon of that kind in the hands of the Democrats. He favored Among the novelties displayed at one of these exhibitions was a mantenu de la Ameta. the passage of the pending bill to stop contraction, and expressed the general views on finances contained in a letter published by him a few months since.

He believed the expenses of the government might be greatly reduced by a reduction of the army and navy, especially the latter, which was much larger than was needed.

In the course of his speech he alluded to the proposed purchase of St. Thomas as unnecessary and unwise.

The passage of the pending bill to stop contraction, and expressed the general of these exhibitions was a mandeau de la cour attached to a rich evening dress of white unwatered moire. The mandeau is a long square train, one end of which is laid in plaits peroses the back of n low necked dress. The trail is from one to two yards long from the bottom of the skirt, and requires considerable skill and adroitness to manage. A trimming of either the other was more than the course of his speech be alluded to the proposed purchase of St. Thomas as unnecessary and unwise.

THE well established reputation of these Companies for nompt and honerable dealing.

The well established to two portions to manage and the latter with the skirt, and requires considerable skill and adroitness to manage. A trimming of either the course of his speech be alluded to the edge, which enhances the cost some hundreds of dollars, but, in this case, the edge was a general course of the general of the edge was a long square train, one end of whith is alid in plaits peroses the back of n low of the stablished reputation of these Companies of the winter of the winter of the stablished reputation of these two yards long from the bottom of the skill and adroitness to manage. A trimming of them to the favor of Business Mon and Property Rolders who desire reliable insurance, for either fire or Marine. We represent no constitutions to the same of the proposed purchase of St. Thomas as unnecessary and unwise. which enhances the cost some hundreds of dollars, but, in this case, the edge was simply scolloped and bounded with white satin. The lining was also white satin. A costume of rich green faille (a thick steel (up stairs), Memphis, Tean. nov it with a fine cord) was much admired.

Ninety-Sixth Semi-Annual Expose. some legislation may be had to relieve it. He proposes to accompany the message with the official reports on the subject received from officials reports of the army and the freedmen's Bureau. And the measures discussed is that of making a direct appropriation by Congress or effecting a loan. If the resident conditions the resident conditions are it stood was one thousand dollars. The price of the entire continue as it stood was one thousand dollars. The new French sleeve was attempted to the print of the resident conditions and a lace shawl was draped about the shoulders. The price of the entire continue as it stood was one thousand dollars. The new French sleeve was attempted to the condition of the continue of the continue

A new method of ornamenting a dress is to drape a scarf across the front of the will remain here until about the middle corsage and allow the two ends to fall will remain here until about the middle of January, for the purpose of getting up his report of the Indian Psace Commissioners. He says the accounts of the Indian war have been greatly exaggeradecidedly classic, particularly in conjunction with the gold Greek band, which is now the most fashionable orna-West was very much less than has been But the taste for ornaments is not by

The internal revenue receipts to-day show a much more healthy condition of the revenue than has been exhibited for several months past. They exceed one million dollars.

But the taste for or maintents is not by any means confined to the classic and antique. The most absurd fancies prevail, and a design is valued not for its beauty but for its eccentricity. The twoad sashes, looped low, and IMPORTERS and Wholesale Dealers in Security Articles in the South, Corner Second and Jefferson streets, Jefferson Block, Membris, Team.

The Postmarter General is now having a revision of the affairs in a large number of postofflees throughout the country made, it being the time for the settlement of the semi-annual accounts of the Postmasters with the Department. In many offices the business has greatly increased, which being shown to the satisfaction of the department, the salaries of Postmasters at such offices will be increased. In other offices, where business has greatly increased, which being shown to the satisfaction of the department. In many offices throughout the country of the settlement of postofflees will be increased. In other offices, where business. There is something profane however, in adopting as a caprice of fashion, the insignia of an old-fashioned of virtue. Chains and chatelains are also, worn, the former consisting of not less the post of the part was a contract. Commissioners appointed by the State

IN entering upon another commercial year with the experience of the past, fraught with the many vicinstiades incident to a changed system of agriculture, and for which most of our phanters were little prepared, resulting in heavy loss to planter and merchant, as an experiment tried, we shall adopt a right cash system in our business—taking no risk, and making our cales prompt upon receips of comsignments, remitting proceeds with a sittle delay as possible; but in all cases obeying instructions of shippers, and using our best endeavors to promote the interest of our patrons. Our arrangements for furnishing Supplies, Bagging, Rope, Giunies, Groceries and Fravisions are such, that we promise to furnish them at our lowest market price, and make it as much, or more, to your interest to order through us, than to purchase in person.

Hoping to receive your patronage and influence, we are, respectfully. THEY keep the best quality of WINES and case, we are, a octour Small profits and quick sales. decists Board in F. W. IRVINE & CO. Board in a Private Family. vulgar necessity.
